Pupils that attend, behave and revise exceed their targets.

We have seen over many years that those pupils, at all levels, who work hard throughout the year achieve at & beyond their target grades.

Why are GCSEs and effort important?

- Lots of jobs/post 16 courses now require GCSE Maths and English at grade 4 or above
- GCSEs determine the level of qualifications that your son/daughter takes next
- GCSEs determine the college/course your son/daughter attends next
- Universities use them to assess academic ability
- They can affect the career your son/daughter ends up pursuing
- **They give pupils choice - the broader amount of GCSEs they get, the better**
- **If you try hard and do your best you will do better long term**

School support

- Revision resources - available in book, booklet and online formats
- Study skills tutor time programme
- Specific intervention strategies for pupils who have been identified as having particular needs (eg. meetings with Head of Year, Head of Dept or teacher)
- 'Catch Up' sessions organised by departments
- Wellbeing
- Revision/study advice
- Supervised study room after school - from October (library)
- My Tutor
- Access Arrangements - *If your son/daughter has been allocated extra time then they MUST use it in November mocks or will LOSE it.*

How can you support your son/daughter?

- Give them somewhere quiet to study
- Encourage them to complete their work on time and to revise
- Check that they are doing their homework and revision
- Provide access to revision guides
- Ensure they are in school every day and on time
- Ensure that they attend lessons until exams are completed in each individual subject as departments run vital revision and exam technique sessions right up until this date
- Ensure that the balance of work and rest/fun, is right
- Ensure that they get plenty of sleep
- Monitor their progress via [Go4schools.com](https://www.go4schools.com)

It's now much easier - everything can be accessed via the tabs down the left hand side.

Please refer to the reports tab in particular for up-to-date information about your child's progress.

Revision Tips

- Revision plan
- Make notes/revision cards
- Create mind maps
- Talk it over with friends or family
- Teach someone else a topic/unit of work

The most memorable learning occurs when learners are invited to explain or demonstrate to others

Post 16 Options

Your son/daughter must stay in some form of education or training until his/her 18th birthday, either:

- full-time education – e.g. at a school or college
- An apprenticeship or traineeship
- Part-time education or training – as well as being employed, self-employed or volunteering for 20 hours or more a week (working towards a nationally recognised qualification)
- Armed Forces

If pupils do not achieve a 4 or above in English and Maths, they must continue to study these subjects at college

What do the course/ apprenticeship levels mean?

LEVEL	GCSE RESULTS REQUIRED	QUALIFICATION POST 16
Level 3	Min five GCSE subjects with grade 9 – 4 (grade 9 – 4 in E/M)	A Levels (Grade 5/6 +) Level 3 BTEC/Diploma Advanced Apprenticeships T Level (equivalent to 3 A levels)
Level 2	Min four GCSEs subjects with grade 3 or 4 (grade 3-4 in E/M)	Level 2 BTEC/Diploma Intermediate Apprenticeships
Level 1	GCSEs grades 3 – 1 (grade 1-2 in E/M)	Foundation Learning Basic Apprenticeships
Entry Level	No formal qualifications	Skills for Life/Functional skills

Careers Support and Guidance

How to help your son/daughter to prepare for Post 16 transition

- Check over and help him/her write their personal statement
- Explore PS16 website together
- Visit careers website 'Start'
- Go on the provider websites and look at their transition/introduction videos
- Visit providers on their open days/evenings

PS16 - Applications by Christmas

- PS16 can be accessed from any computer
- Search for suitable courses, add them to favourites, **then apply**
- Help your son/daughter to prepare what they want to include in each section
- Consider his/her predicted grades
- Think about their qualities, skills and interests
- Research university requirements
- Think about the number of available jobs
- Support them with interview preparation
- Apply for **several courses - have a 'just in case' option**
- Consider the order of preference 1/2/3

Look on Go4schools at projected GCSE grades to help your child make choices.
